

# Steps to Driving Independence and Accessibility Reimbursement<sup>1</sup>

## ► Know Your Accessibility Needs and Visit Your Ford Dealer

A wide range of modifications can be made to a Ford vehicle based on your individual needs. Finding what works for you is easier than you might think. A Driver Rehabilitation Specialist from an Assessment Center can help with that decision and teach you how to use the equipment. Next, stop by your Ford Dealer to discuss vehicle options.

## ► Obtain Your Accessibility Reimbursement<sup>1</sup>

Once your vehicle has been purchased and adaptive equipment installation is complete, simply give copies of the following receipts to your Ford Dealer:

### Vehicle Bill of Sale

(must have the VIN included)

### Paid Adaptive Equipment Invoice

(must have the VIN included)

Your reimbursement check will be mailed to you in two to four weeks after your Ford Dealer submits the reimbursement claim.
